In using the Conservation/Open Space parcels owned by the
 Town of Hanover, you are exercising a privilege that is afforded
 you as a result of the dedication and hard work of several Town
 Departments including, but not limited to, the Conservation
 Commission, the Open Space Committee and the Department of
 Public Works. It is our hope that you enjoy your visit to these
 very special places.

To insure that others may enjoy the natural beauty and serenity
 of this land for years to come, please follow these regulations:

- No motorized vehicles, (except those that qualify with all
 ADA requirements) are allowed on any Conservation/
 Open Space parcel other than within parking areas. This
 includes cars, trucks, RV's, motorcycles, dirt bikes,
 scooters, or any other vehicle that has a motor or engine.
- Plant materials, vegetation, cuttings, soils, etc., shall not
 be removed for any reason.
- All trash and other materials brought into a site must be
 removed at the conclusion of an event.
- No dumping of materials or infringement into protected
 wetlands.
- No overnight camping or parking.
- No open fires.
- Stay on trails and away from stream banks.

- **DO NOT DISTURB or FEED** the wildlife. Quiet
 observation will result in a richer experience. These areas
 serve not only as living and traveling areas for animal
 and insect wildlife, but also where natural vegetation
 grows for their food and protection.

NOTE:
 Please be aware that Deer Hunting (with Bow and Arrow only) is allowed
 on the Clark Bog parcel and the Summer St. parcel during Deer Hunting
 Season only. Please contact the Conservation Staff or the Town Clerk
 at 781-826-5000 for seasonal dates of deer/bow hunting. The Town of
 Hanover provides for the recreational use of Conservation Land free
 of charge to the public.
 In accordance with the Massachusetts General Laws, Chapter 21, Section
 17C, the Town is not liable for any injuries sustained to persons or
 property in their pursuit of recreational activities.
